

New Syphilis Screening Interpretation and Management Training for Clinicians

Satellite Conference and Live Webcast

Thursday, June 9, 2011, 8:00-9:30 a.m. (Central Time)

9:00-10:30 a.m. (Eastern) • 7:00-8:30 a.m. (Mountain) • 6:00-7:30 a.m. (Pacific)

The STD Division of the Alabama Department of Public Health, in accordance with the new reverse syphilis screening instituted by the ADPH Bureau of Clinical Laboratories, will be providing interpretation and management of discordant test results. Program faculty will provide specific guidelines and interpretation to assist clinicians in ordering syphilis tests, interpreting test results, and managing patients.

Program Objectives:

1. Describe the new reverse syphilis screening process.
2. Describe how to manage discordant lab results.
3. Describe the approach to treatment by following the scenarios provided.

Conference Details:

Target Audience: Nurses, Social Workers, health care providers working with patients who have sexually transmitted diseases

Continuing Education: Nurses 1.5 hours, Social Workers 1.5 hours.

Registration: www.adph.org/alphntn
