

# THE PSYCHOLOGY OF MEN

## Satellite Conference and Live Webcast

Monday, June 13, 2011, 2:00-3:30 p.m. (Central Time)

3:00-4:30 p.m. (Eastern) • 1:00-2:30 p.m. (Mountain) • 12:00-1:30 p.m. (Pacific)

*The human mind can be a mysterious place. Understanding differences in the ways women and men think has been one of life's biggest challenges and frustrations for generations over. While this particular program may not help you understand a person's psyche on a social level, it will help uncover some mysteries behind how men in particular think when it comes to their health. Program faculty will discuss some of the medical issues men face and the influences that can prevent them from seeking treatment.*

### FACULTY:

#### Rick Meriwether

Program Manager  
Alabama AIDS Training and Education Center  
Alabama-North Carolina STD/HIV  
Prevention Training Center

#### Maury West, LGSW

Social Work Director  
Alabama Department of Public Health

### PROGRAM OBJECTIVES:

1. Learn about the National Men's Health Week observance.
2. Explain medical and mental health issues that impact men.
3. List reasons men don't access health care services.
4. Identify behavioral influences on men's health care.
5. Discuss the multiple roles and responsibilities of men in today's society.
