Produced by the South Central Public Health Training Center in partnership with the Alabama Department of Public Health

2010 INFECTION CONTROL REVIEW

Satellite Conference and Live Webcast

Wednesday, August 25, 2010 • 8:00-9:00 a.m. (Central Time)
9:00-10:00 a.m. (Eastern) • 7:00-8:00 a.m. (Mountain) • 6:00-7:00 a.m. (Pacific)

Infection control is without a doubt one of the most important topics we review each and every year. Protecting yourself from possible infection must be a top priority while on the job. Program faculty will review proper hygiene practices, prevention programs, and provide details on drug resistant infections.

Program Objectives

1. Discuss current procedures for hand hygiene.
2. Discuss the use of Personal Protective Equipment (PPE).
3. Discuss the Center for Disease Control and Prevention's Sharp Prevention Program.
4. Describe Methicillin Drug Resistant Organisms (MDRO's).
5. Discuss proper cleaning of exam rooms.

Faculty

Sharon Thompson, BSN, RN
Infection Control Officer
Alabama Department of Public Health

The Alabama Department of Public Health is an approved provider of continuing nursing education by the Alabama State Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation. (Expires January 28, 2011.)
