RE: CLIA Certificate

Dear Dr. Massingale:

This letter is to confirm that we are aware your CLIA certificate has expired as of 3/9/2013 due to your laboratory not yet receiving a CLIA inspection from CMS. We do apologize and as discussed will complete your CLIA survey as soon as the government has awarded this Region funds for surveying. However, even though the certificate is expired, your CLIA certificate remains active for CLIA administrative purposes until 9/9/2013. As a result, you are still able to bill Medicare and Medicaid if needed and you will have no gap between CLIA certificates.

Thank you for your attention to this matter. If you have questions regarding this letter, please contact Martha K. Personette (404) 562-7455 or Regina Holmes (404) 562-7450.

Sincerely,

Martha K. Personette BA, MT, (ASCP)
