

EMR- Education

EMR Primary Instructor Requirements:

1. The instructor must be Alabama licensed at the ALS Level (AEMT, Intermediate, or Paramedic).
2. The instructor must have instructor certification from a recognized organization such as Department of Transportation (DOT), Department of Defense (DOD), Alabama Fire College, AHA Core Instructor Course, or the National Association of EMS Educators (NASEMSE).
3. The instructor must have a minimum of three years of field experience.
4. A CPR Instructor may be used to teach a CPR course, as long as the primary EMR instructor is present.

EMR Secondary Instructor Requirements:

1. The instructor must be an EMT.
2. The instructor must have instructor certification from a recognized organization such as Department of Transportation (DOT), Department of Defense (DOD), Alabama Fire College, AHA Core Instructor Course, or the National Association of EMS Educators (NASEMSE).
3. The instructor must have a minimum of five years of field experience.
4. A CPR Instructor may be used to teach a CPR course, as long as the secondary instructor is present.

Other EMR Requirements:

1. The approved ADPH equipment check-off list must be used.
2. An organization can develop its own test as long as it is a DOT compliant curriculum.
3. The recommended pass rate for EMRs is eighty percent.
4. Organizations who teach the EMR course must use a facility equipped with common classroom items such as blackboards, projectors, and audio visual equipment. Internet access is recommended but not required.
5. Students will be identified with the appropriate dress as required by the organization. As a minimum standard, this will include a solid color, collared shirt, long pants, close-toed shoes, and an ID badge.
6. Organizations will set a minimum standard for insurance liability.
7. Students must be eligible to take the National Registry exam.

**Office of EMS and Trauma
Instructor's Checklist for EMR Field Classes**

The following is a check list to aid you in sending the appropriate paperwork to our office. To make it easier for you, each form has been numbered with the corresponding number in parenthesis on the appropriate line of the check sheet. All paperwork should be mailed to ADPH OEMS&T P.O. Box 303017 Montgomery, AL 36130-3017 to the Attention of Stephen Wilson.

Five weeks prior to the proposed class start date:

- EMR Field Course Application _____
- Notification of Intent to Conduct EMR Training _____
- ADPH Instructor Information Request Form
(One for each Instructor) _____
- Copy of Current Alabama Paramedic License _____
- Instructor Credentials (DOT, AFC Fire Instructor, DOD, NAEMSE,
AHA Core Instructor), copy of Certificate _____
- Proposed Class Schedule (Must show 45 classroom hours) _____
- Affiliation Agreements with hospitals and ambulance/rescue units (Optional) _____
- List of Equipment Available _____
(If equipment is to be borrowed from another agency, such as a Regional EMS Office,
a letter from this agency giving permission to borrow such equipment must be
submitted on their letterhead)

One Week Prior to Beginning of Class

- Student Roster containing names and Social Security Numbers _____

Instructor to keep on file

- Student Registration Form (one for each student) _____
- Student Qualification Agreement (one for each student) _____
- Confidentiality Briefing Statement (one for each student) _____
- Hepatitis B Agreement (one for each student) _____
- Background Check paperwork (one for each student) _____
- Drug Screen paperwork (one for each student) _____
- Final Grades _____

At the Close of the Class:

Successfully completed Student Roster with Name and Social Security Number _____

The First Night of Class:

Each student should receive a copy of the organization's general guidelines and policy, as well as a copy of the Class Objectives and National Registry skills sheets.

The class should also be informed of who the Medical Director is for this class.

National Registry Testing:

All National Registry testing is now conducted on the computer.

Students will need to set up an individual account on the National Registry website.

The \$65.00 fee must also be paid prior to testing.

Instructors must submit all final paperwork for the class before our office can verify that students are eligible to test.
