

# 2014 Current and Historical Alabama Fish Consumption Advisory Guidelines

<b>Waterbody</b>	<b>Location</b>	<b>Species of Fish</b>	<b>Advisory</b>
Alabama River	Approximately 2.0 miles downstream of AL Hwy 12/ US Hwy 84. River miles 65-66. (Monroe County)	Largemouth bass	2 meals/month (Mercury)
		Spotted bass	2 meals/month (Mercury)
Aliceville Reservoir	Lower reservoir. Deepest point, main river channel, dam forebay. (Pickens County)	All species	No restriction
Baker's Creek	Baker's Creek embayment at Wheeler Reservoir. (Morgan County)	All species	1 meal/month (PFOS)
Bay Minette Creek	In the vicinity of AL Hwy 225 bridge. (Baldwin County)	Channel catfish	No restriction
		Largemouth bass	1 meal/month (Mercury)
		Striped mullet	No restriction
Bankhead Reservoir	Lower reservoir. Deepest point, main river channel, dam forebay. (Tuscaloosa County)	All species	No restriction
Bayview Lake	Bayview Lake at deepest point, main creek channel, dam forebay. (Jefferson County)	All species	No restriction
Bear Creek	Bear Creek at Franklin County Road 53, river mile 95.7. (Franklin County)	Channel catfish	1 meal/month (Mercury)
		Largemouth bass	2 meals/month (Mercury)
	Pickwick Reservoir, Bear Creek embayment, at Bear Creek mile 8.0. Approximately 5.0 miles downstream of Buzzard Roost/ Bear Creek confluence. (Colbert County)	All species	No restriction
	Bear Creek at Allsboro Road. (Colbert County)	Largemouth bass	1 meal/month (Mercury)
Bear Creek Reservoir	Dam forebay area. Bear Creek mile 75. (Franklin County)	Largemouth bass	1 meal/month (Mercury)
Big Creek Reservoir	Lake wide sample. (Mobile County)	Channel catfish	No restriction
		Largemouth bass	Do Not Eat Any (Mercury)
		Yellow bullhead	1 meal/month (Mercury)

<b>Waterbody</b>	<b>Location</b>	<b>Species of Fish</b>	<b>Advisory</b>
Big Escambia Creek	Big Escambia Creek at Louisville & Nashville Railroad bridge crossing. Approximately 0.5 miles upstream of AL/FL state line. (Escambia County)	Largemouth bass	1 meal/month (Mercury)
		Spotted bass	1 meal/month (Mercury)
Big Nance Creek	Big Nance Creek at Lawrence County Road 25. (Lawrence County)	Creek chubsucker	No restriction
		Golden redhorse	2 meals/month (Mercury)
		Spotted sucker	No restriction
		Largemouth bass	2 meals/month (Mercury)
	Deepest point, main creek channel, Big Nance Creek embayment, immediately upstream of AL Hwy 101 bridge. (Lawrence County)	Channel catfish	2 meals/month (Mercury)
Largemouth bass		2 meals/month (Mercury)	
Big Yellow Creek	Big Yellow Creek embayment, approximately 1 mile upstream of the confluence with the Warrior River. (Tuscaloosa County)	All species	No restriction
Bilbo Creek	Upstream of the confluence with the Tombigbee River. (Washington County)	Channel catfish	No restriction
		Largemouth bass	1 meal/month (Mercury)
Binion Creek	Binion Creek, deepest point, main channel, immediately upstream of Hwy 43. (Tuscaloosa County)	Channel catfish	2 meals/month (Mercury)
		Largemouth bass	2 meals/month (Mercury)
Blackwater River	In the area between the mouth of the river and the pipeline crossing southeast of Robertsdale. (Baldwin County)	Blacktail redhorse	2 meals/month (Mercury)
		Largemouth bass	1 meal/month (Mercury)
Blackwater River	Between the County Road 4 bridge and the Alabama/ Florida state line. (Escambia county)	Largemouth bass	1 meal/month (Mercury)
		Spotted bass	1 meal/month (Mercury)
Black Warrior River	Deepest point, main river channel, approximately 1 mile upstream of US Hwy 43 bridge near Demopolis. (Greene County)	All species	No restriction
Bon Secour Bay	In the main channel near the confluence of Bon Secour Bay and Oyster Bay. (Baldwin County)	All species	No restriction

<b>Waterbody</b>	<b>Location</b>	<b>Species of Fish</b>	<b>Advisory</b>
Bon Secour River	Vicinity of County Road 10 bridge. (Baldwin County)	Largemouth bass	1 meal/month (Mercury)
		Striped mullet	No restriction
Burnt Corn Creek	Burnt Corn Creek in the vicinity of US Hwy 31. (Escambia County)	Largemouth bass	1 meal/month (Mercury)
		Spotted bass	1 meal/month (Mercury)
Cahaba River	Cahaba River at US Hwy 82. (Bibb County)	All species	No restriction
	Cahaba River at AL Hwy 183. (Perry County)	All species	No restriction
	Deepest point, main river channel, Cahaba River embayment, approximately 0.5 miles upstream of lake confluence. (Dallas County)	All species	No restriction
Cane Creek	Cane Creek embayment approximately 1.0 mile upstream of confluence with Tennessee River. (Colbert County)	All species	No restriction
Cedar Creek	Cedar Creek north of Dothan at US Hwy 431. (Houston County)	Largemouth bass	2 meals/month (Mercury)
Cedar Creek Reservoir	Dam forebay to 1.0 mile upstream of dam. (Franklin County)	Channel catfish	2 meals/month (Mercury)
		Largemouth bass	2 meals/month (Mercury)
Chickasaw Creek	Entire Creek. (Mobile County)	Largemouth bass	Do Not Eat Any (Mercury)
Choccolocco Creek	In the vicinity of Boiling Springs Road bridge crossing. (Calhoun County)	Spotted bass	2 meals/month (Mercury)
	Entire length of creek from south of Oxford to Logan Martin Lake. (Calhoun, Talladega Counties)	All species	Do Not Eat Any (PCBs)
	In the vicinity of County Road 399 bridge. (Talladega County)	All species	Do Not Eat Any (PCBs, Mercury)
	Deepest point, main creek channel, Choccolocco Creek embayment, approximately 1.0 mile upstream of lake confluence. (Talladega County)	All species	Do Not Eat Any (PCBs)

<b>Waterbody</b>	<b>Location</b>	<b>Species of Fish</b>	<b>Advisory</b>
Choctawhatchee River	Deepest point, main river channel, approximately 0.5 miles downstream of Little Choctawhatchee confluence, near State Hwy 92. (Dale County)	Largemouth bass	2 meals/month (Mercury)
	Choctawhatchee River 1.5 miles above the AL/FL state line, approximately 3.0 miles downstream of Geneva, AL. (Geneva County)	Largemouth bass	2 meals/month (Mercury)
		Spotted bass	2 meals/month (Mercury)
Claiborne Reservoir	Lower reservoir. Deepest point, main river channel, dam forebay. (Monroe County)	Largemouth bass	2 meals/month (Mercury)
	Claiborne Reservoir in vicinity of Lower Peachtree Access Area, approximately river mile 96 close to the intersection of Clarke, Monroe, and Wilcox counties. (Clarke, Monroe Counties)	Largemouth bass	2 meals/month (Mercury)
Coffeeville Reservoir	Approximately 1.5 miles downstream of US Hwy80/AL Hwy 28 bridge. Tombigbee River miles 202.0-200.0. (Sumter County)	Largemouth bass	1 meal/month (Mercury)
		Spotted bass	2 meals/month (Mercury)
	Tombigbee River approximately 2.0 miles upstream of AL Hwy 10 bridge. River miles 168.6-166.6. (Marengo County)	All species	No restriction
	Lower reservoir. Deepest point, main river channel, dam forebay. (Choctaw County)	All species	No restriction
Cold Creek Swamp	From confluence of Cold Creek with the Mobile River west through the swamp. (Mobile County)	All species	Do Not Eat Any (Mercury)
Conecuh River	Deepest point, main river channel, at AL/FL state line. (Escambia County).	Largemouth bass	1 meal/month (Mercury)

<b>Waterbody</b>	<b>Location</b>	<b>Species of Fish</b>	<b>Advisory</b>
Coosa River	Between Neely Henry Dam and Riverside. (Calhoun, St. Clair, Talladega Counties)	Catfish over 1 pound	1 meal/month (PCBs)
	Between Riverside and Logan Martin Dam. (St. Clair, Talladega Counties)	Striped bass	Do Not Eat Any (PCBs)
	Between Logan Martin Dam and the railroad tracks crossing the Coosa near Vincent. (Shelby, St. Clair, Talladega Counties)	Striped bass	Do Not Eat Any (PCBs)
	Lay Lake between Logan Martin Dam and Lay Lake. (Chilton, Coosa, Shelby, St. Clair, Talladega Counties)	Striped bass	Do Not Eat Any (PCBs)
	Upper Lay Reservoir approximately 2 miles downstream of Logan Martin Dam and 0.5 miles downstream from Kelly Creek-Coosa River confluence in the vicinity of Ratcliff/Elliot Island. (St. Clair County)	Spotted bass	1 meal/month (PCBs, Mercury)

<b>Waterbody</b>	<b>Location</b>	<b>Species of Fish</b>	<b>Advisory</b>
Cowikee Creek	Cowikee Creek embayment of WF George Reservoir. Approximate area from US 431 bridge to Chattahoochee River main channel. In vicinity of Lake Point Resort and State Park. (Barbour County)	Largemouth bass	2 meals/month (Mercury)
Cowpen Creek	Upstream of confluence with Fish River. (Baldwin County)	Lake chubsucker	1 meal/month (Mercury)
		Largemouth bass	Do Not Eat Any (Mercury)
		Spotted sucker	1 meal/month (Mercury)
Crow Creek	Deepest point, main creek channel, Crow Creek embayment, approximately 0.5 miles downstream of US Hwy 72 bridge. (Jackson County)	All species	No restriction
Cypress Creek	Deepest point, main creek channel, Cypress Creek embayment, approximately 0.5 miles upstream of AL Hwy 20. (Lauderdale County)	Largemouth bass	2 meals/month (Mercury)
Dannelly Reservoir	Lower reservoir. Deepest point, main river channel, dam forebay. (Wilcox County)	All species	No restriction
	Approximately 7.5 miles upstream of AL Hwy 41. Alabama River miles 214.9-216.9. (Dallas County)	All species	No restriction
Demopolis Reservoir	Lower reservoir. Deepest point, main river channel, dam forebay. (Sumter County)	All species	No restriction
Dog River	In the vicinity of the I-10 bridge. (Mobile County)	All species	No restriction
Dry Creek	Deepest point, main creek channel, Roseberry/Dry Creek embayment, approximately 0.5 miles downstream of Jackson County Park. (Jackson County)	All species	No restriction
Elk River	Elk River embayment, Elk River mile 6, near the mouth of Anderson Creek. (Lauderdale County)	All species	No restriction

<b>Waterbody</b>	<b>Location</b>	<b>Species of Fish</b>	<b>Advisory</b>
Elkahatchee Creek	Deepest point, main creek channel, Elkahatchee Creek embayment, approximately 0.5 miles downstream of Elkahatchee/Sugar Creek confluence. (Tallapoosa County)	All species	No restriction
Escatawpa River	In the vicinity of US Hwy 98 bridge west of Wilmer. (Mobile County)	Blacktail redhorse	1 meal/month (Mercury)
		Spotted bass	1 meal/month (Mercury)
Fish River	In vicinity of confluence with Polecat Creek approximately 1 mile upstream of County Road 32 bridge. (Baldwin County)	Black crappie	1 meal/month (Mercury)
		Largemouth bass	Do Not Eat Any (Mercury)
		Striped mullet	No restriction
	Approximately 2 miles upstream of US Highway 98 bridge in vicinity of Waterhole Branch/Fish River confluence just above the 2 islands. (Baldwin County)	Largemouth bass	1 meal/month (Mercury)
		Striped mullet	No restriction
Flint Creek	Downstream of West Flint Creek confluence, vicinity of US Highway 31. (Morgan County)	Largemouth bass	2 meals/month (Mercury)
	Wheeler Reservoir, Flint Creek embayment beginning 1.0 mile downstream of County Road 67 bridge. (Morgan County)	All species	No restriction

<b>Waterbody</b>	<b>Location</b>	<b>Species of Fish</b>	<b>Advisory</b>
Four Mile/Six Mile Creek	Four Mile Creek upstream of confluence with the Alabama River, near Selma. (Dallas County)	All species	1 meal/month (Mercury)
Fowl River	Entire river. (Mobile County)	Largemouth bass	Do Not Eat Any (Mercury)
		Striped mullet	No restriction
Frank Jackson Reservoir	Deepest point, main creek channel, dam forebay. (Covington County)	Largemouth bass	1 meal/month (Mercury)
Gainsville Reservoir	Lower reservoir. Deepest point, main river channel, dam forebay. (Greene County)	All species	No restriction
Gantt Reservoir	Lower reservoir. Deepest point, main river channel, dam forebay. (Covington County)	Largemouth bass	2 meals/month (Mercury)
Gulf Coast	Entire Coast. (Baldwin and Mobile Counties)	King Mackerel	Under 39 inches No restriction
		King Mackerel	Over 39 inches Do Not Eat Any (Mercury)
Guntersville Reservoir	Dam forebay area. Tennessee River mile 350, downstream of Honeycomb Creek. (Marshall County)	All species	No restriction
	Guntersville Reservoir, Tennessee River mile 375 between the confluences of South Sauty Creek and Tennessee River & North Sauty Creek and Tennessee River. (Jackson County)	All species	No restriction
	Guntersville Reservoir, vicinity of Tennessee River mile 408. Just downstream of Widows Creek. (Jackson County)	Largemouth bass	2 meals/month (Mercury)
Heron Bay	Heron Bay. (Mobile County)	All species	No restriction
Harris Reservoir	Lower reservoir. Deepest point, main river channel, dam forebay. (Randolph County)	All species	No restriction
Holt Reservoir	Lower reservoir. Forebay area, downstream of Deerlick Creek public access area. (Tuscaloosa County)	All species	No restriction

<b>Waterbody</b>	<b>Location</b>	<b>Species of Fish</b>	<b>Advisory</b>
Huntsville Spring Branch/Indian Creek	Deepest point, main creek channel, Indian Creek embayment, 1.0 mile upstream of lake confluence. (Madison County)	All species	No restriction
Jordan Reservoir	Deepest point, main river channel, dam forebay. (Elmore County)	All species	No restriction
Lake Jackson	Approximate center of the lake. (Covington County)	Largemouth bass	1 meal/month (Mercury)
Lay Reservoir	Lower reservoir. Deepest point, main river channel, dam forebay. (Chilton County)	Striped bass	1 meal/month (PCBs)
	Approximately 1.5 miles downstream of US Hwy 280 bridge. Vicinity of Coosa River mile 444.0. (Shelby County)	Channel catfish	2 meals/month (Mercury)
		Largemouth bass	1 meal/month (Mercury)
Lewis Smith Reservoir	Ryan Creek, Lewis Smith Reservoir in the vicinity of Cullman County Road 222 bridge. (Cullman County)	Largemouth bass	1 meal/month (Mercury)
	Rock Creek, Lewis Smith Reservoir in vicinity of Little Crooked Creek and Rock Creek Marina, approximately 5 miles upstream from Sipsey Fork. (Winston County)	Largemouth bass	2 meals/month (Mercury)
	Mouth of Clear Creek. Mouth of Butler Creek. (Winston County)	Largemouth bass	1 meal/month (Mercury)
Spotted bass		1 meal/month (Mercury)	
Limestone Creek	Limestone Creek embayment beginning approximately 1 mile upstream of confluence with Tennessee River. (Limestone County)	Largemouth bass	1 meal/month (Mercury)
Little Bear Creek Reservoir	Dam forebay area. Little Bear Creek mile 12.5. (Franklin County)	Largemouth bass	2 meals/month (Mercury)
Little Escambia Creek	In Escambia County at US Hwy 31/29 bridge.	Largemouth bass	1 meal/month (Mercury)
		Spotted bass	1 meal/month (Mercury)
Locust Fork	Locust Fork at river mile 388.5 near Vines Fish Camp. (Jefferson County)	All species	No restriction

<b>Waterbody</b>	<b>Location</b>	<b>Species of Fish</b>	<b>Advisory</b>
Logan Martin Reservoir	Lower reservoir. Deepest point, main river channel, dam forebay. (Shelby County)	Striped bass	1 meal/month (PCBs)
	Approximately Logan Martin Reservoir at Riverside near the confluence of Blue Eye Creek. Alabama Power reservoir mile 20.0 (vicinity of Interstate 20 bridge). (St. Clair County)	All species	No restriction
Lost Creek	Deepest point, main creek channel, Lost Creek embayment. Approximately 0.5 mile downstream of Walker County Road 53 bridge. (Walker County)	All species	No restriction
Magnolia River	Magnolia River approximately 2.5 miles upstream of Weeks Bay. Area just upstream of Weeks Creek and Magnolia River confluence. (Baldwin County)	Largemouth bass	Do Not Eat Any (Mercury)
		Striped mullet	No restriction
Martin Reservoir	Lower reservoir. Deepest point, main river channel, dam forebay. (Tallapoosa County)	All species	No restriction
Middle River	Middle River, 4.5 miles above its confluence with the Tensaw River. T1S, R1E, S15, NE ¼ (Baldwin County)	Blue catfish	No restriction
		Largemouth bass	1 meal/month (Mercury)
Mifflin Lake	Mifflin Lake, between the Middle and Tensaw Rivers; T1S, R2E, S19, NW quarter. (Baldwin County)	Blue catfish	1 meal/month (Mercury)
		Largemouth bass	1 meal/month (Mercury)
Mitchell Reservoir	Lower reservoir. Deepest point, main river channel, dam forebay.	All species	No restriction
Mobile Bay	Little Sand Island area, Mobile River at its confluence with Mobile Bay. (Mobile County)	All species	No restriction
Mobile River	At and south of the confluence with Cold Creek. (Mobile County)	Largemouth bass	1 meal/month (Mercury)
	At David Lake, river mile 41.3. (Mobile County)	Largemouth bass	1 meal/month (Mercury)

<b>Waterbody</b>	<b>Location</b>	<b>Species of Fish</b>	<b>Advisory</b>
Mud Creek	Mud Creek embayment upstream of Jackson County Road 213. (Jackson County)	All species	No restriction
Mulberry Fork	Mulberry Fork, Black Warrior River downstream of US Hwy 78. (Walker County)	All species	No restriction
	Mulberry Fork at river mile 391.8 downstream of Lost Creek. (Walker County)	All species	No restriction
Murder Creek	Between the confluence with Burnt Corn Creek and Conecuh River (Escambia County)	Largemouth bass	1 meal/month (Mercury)
		Spotted bass	1 meal/month (Mercury)
Neely Henry Reservoir	Lower reservoir. Deepest point, main river channel, dam forebay. (Calhoun County)	All species	No restriction
North River	Upstream of Lake Tuscaloosa, immediately upstream of Bull Slough Road. (Tuscaloosa County)	Largemouth bass	2 meals/month (Mercury)
North Sauty Creek	Deepest point, main creek channel, North Sauty Creek embayment, immediately upstream of AL Hwy 79 bridge. (Jackson County)	All species	No restriction
Oliver Reservoir	Lower reservoir. Deepest point, main river channel, dam forebay. (Tuscaloosa County)	All species	No restriction
Opossum Creek	Opossum Creek at Woodward Road. (Jefferson County)	All species	No restriction
Patsaliga Creek	Deepest point, main channel, Patsaliga Creek embayment. (Covington County)	Largemouth bass	2 meals/month (Mercury)

<b>Waterbody</b>	<b>Location</b>	<b>Species of Fish</b>	<b>Advisory</b>
Pea River	Deepest point, main river channel, approximately 0.5 miles downstream of Beaverdam Creek/Pea River confluence, south of Elba, AL. (Coffee County)	Largemouth bass	2 meals/month (Mercury)
	Deepest point, main river channel, approximately 0.5 miles upstream of the confluence with Choctawhatchee River. (Coffee County)	Largemouth bass	2 meals/month (Mercury)
		Spotted bass	2 meals/month (Mercury)
Perdido Bay	Perdido Bay below Lillian Bridge (US Hwy 98) crossing. (Baldwin County)	All species	No restriction
Perdido River	Styx River confluence in vicinity of US Hwy 90 bridge crossing. (Baldwin County)	Largemouth bass	1 meal/month (Mercury)
		River redhorse	1 meal/month (Mercury)
Pickwick Reservoir	Vicinity of Tennessee River mile 230, 2.5 miles upstream of Tennessee River/ Second Creek confluence. (Colbert County)	All species	No restriction
	Between Tennessee River miles 251.0-255.0, near Sheffield, AL. (Lauderdale County)	All species	No restriction
Point A Reservoir	Lower reservoir. Deepest point, main river channel, dam forebay. (Conecuh County)	Largemouth bass	2 meals/month (Mercury)
Polecat Creek	Upstream of confluence with Fish River. (Baldwin County)	Largemouth bass	1 meal/month (Mercury)
		Spotted sucker	1 meal/month (Mercury)
Portersville Bay	Main channel offshore south of Bayou La Batre. (Mobile County)	All species	No restriction
Rock Creek	Ryan Creek, Smith Reservoir. In the vicinity of Little Crooked Creek and Rock Creek Marina. Approximately 5.0 miles upstream of the Sipsey Fork. (Winston County)	Largemouth bass	2 meals/month (Mercury)
Round Island Creek	Wheeler Reservoir, Round Island Creek embayment beginning 1.5 miles upstream of confluence with Tennessee River. (Limestone County)	Largemouth bass	2 meals/month (Mercury)

<b>Waterbody</b>	<b>Location</b>	<b>Species of Fish</b>	<b>Advisory</b>
Ryan Creek	Ryan Creek, Smith Reservoir. Approximately 2.2 miles upstream of Big Bridge and approximately 12.0 miles upstream of the Sipsey Fork. (Cullman County)	Largemouth bass	2 meals/month (Mercury)
Second Creek	Deepest point, main creek channel, Second Creek embayment, approximately 0.5 miles downstream of US Hwy 72 bridge. (Lauderdale County)	All species	No restriction
Sepulga River	Sepulga River in the vicinity of Brooklyn, AL. (Escambia County)	Largemouth bass	1 meal/month (Mercury)
		Spotted bass	1 meal/month (Mercury)
Shoal Creek	Deepest point, main creek channel, Shoal Creek embayment, immediately upstream of US Hwy 72 bridge. (Lauderdale County)	All species	No restriction
Short Creek	Deepest point, main creek channel, Short Creek embayment immediately upstream of AL Hwy 227 bridge. (Marshall County)	All species	No restriction
Sipsey River 2012	Sipsey River embayment, approximately 0.5 miles upstream of confluence with Tombigbee River. (Tuscaloosa County)	Largemouth bass	1 meal/month (Mercury)
Smith Reservoir 2013	Smith Reservoir mouth of Clear Creek, Sipsey Fork in the vicinity of Clear Creek and Butler Creeks. Approximately 2.3 miles upstream of State Route 257 bridge. (Winston County)	Spotted bass	1 meal/month (Mercury)
South Sauty Creek	Deepest point, main creek channel, South Sauty Creek embayment, immediately upstream of County Road 67 bridge. (Jackson County)	All species	No restriction
Sougahatchee Creek	Deepest point, main creek channel, Sougahatchee Creek embayment. Approximately 1.6 miles upstream from the Tallapoosa River confluence. (Tallapoosa County)	Largemouth bass	1 meal/month (Mercury)

<b>Waterbody</b>	<b>Location</b>	<b>Species of Fish</b>	<b>Advisory</b>
Spring Creek	Deepest point, main creek channel, Spring Creek embayment, immediately upstream of AL Hwy 227 bridge. (Marshall County)	All species	No restriction
	Spring Creek embayment approximately 1 mile upstream of Pickwick Reservoir confluence. (Colbert County)	All species	No restriction
	Deepest point, main creek channel, Spring Creek embayment, approximately 0.5 miles upstream of County Road 400 bridge. (Lawrence County)	All species	No restriction
Styx River	Entire river. (Baldwin County)	Channel catfish	1 meal/month (Mercury)
		Largemouth bass	1 meal/month (Mercury)
Sugar Creek	Martin Reservoir, Sugar Creek embayment. (Tallapoosa County)	Largemouth bass	Do Not Eat Any (Mercury)
Tallapoosa River	Tallapoosa River, deepest point, approximately 3.0 miles upstream of US Hwy 231. (Montgomery County)	Spotted bass	1 meal/week (Mercury)
Tennessee River	At AL/TN state line just upstream of Long Island at river mile 417. (Jackson County)	All species	No restriction
	Guntersville Reservoir to river mile 303. (Marshall, Morgan, and Madison Counties)	All species	No restriction
	River miles 296 to 264. (Cobert, Lawrence, and Morgan Counties)	All species	No restriction
Tensaw River	Tensaw River at the L&N Railroad crossing. (Baldwin County)	Largemouth bass	1 meal/week (Mercury)
Three Mile Creek	Three Mile Creek downstream of the Southern Railroad trestle to the confluence with the Mobile River. (Mobile County)	All species	No restriction
Thurlow Reservoir	Lower reservoir. Deepest point, main river channel, dam forebay. (Elmore County)	Largemouth bass	1 meal/week (Mercury)

<b>Waterbody</b>	<b>Location</b>	<b>Species of Fish</b>	<b>Advisory</b>
Tombigbee River	Tombigbee River at river mile 50.0. Approximately 5.0 miles upstream of the confluence with the Alabama River. (Washington County)	Largemouth bass	2 meals/month (Mercury)
	One mile upstream of the Tombigbee River/Alabama River confluence (Washington County)	Largemouth bass	2 meals/month (Mercury)
Town Creek	Town Creek embayment approximately 4 miles upstream of AL Hwy 227 bridge. (Marshall County)	Largemouth bass	2 meals/month (Mercury)
Tuscaloosa Reservoir	Lower reservoir. Deepest point, main river channel, dam forebay. (Tuscaloosa County)	Largemouth bass	1 meal/month (Mercury)
	Mid reservoir. Deepest point, main river channel, approximately 1.0 miles downstream of the AL Hwy 69 bridge. (Tuscaloosa County)	Largemouth bass	2 meals/month (Mercury)
	North River immediately upstream of Bull Slough Road crossing, deepest point, main channel. (Tuscaloosa County)	Largemouth bass	2 meals/month (Mercury)
Uchee Creek	Uchee Creek in the vicinity of Uchee Recreational Area. (Russell County)	Largemouth bass	2 meals/month (Mercury)
Upper Bear Creek Reservoir	Dam forebay area, Upper Bear Creek mile 11. (Marion County)	Channel catfish	2 meal/month (Mercury)
		Largemouth bass	1 meal/month (Mercury)
Valley Creek	Downstream of Opossum Creek confluence. (Jefferson County)	All species	No restriction
Warrior Reservoir	Lower reservoir. Deepest point, main river channel, dam forebay. (Greene County)	All species	No restriction
	Mid reservoir. Deepest point, main river channel, immediately downstream of Lock 8 Public Use Area. (Greene County)	Channel catfish	No restriction
Weeks Bay	In main channel, from boat ramp to US Hwy 98 crossing. (Baldwin County)	All species	No restriction

<b>Waterbody</b>	<b>Location</b>	<b>Species of Fish</b>	<b>Advisory</b>
Weiss Reservoir	Lower reservoir. Deepest point, main river channel, power dam forebay. (Cherokee County)	Black Crappie	1 meal/week (PCBs)
		Blue Catfish	1 meal/month (PCBs)
		Channel catfish	1 meal/month (PCBs)
		Largemouth bass	1 meal/month (PCBs)
		Striped bass	1 meal/month (PCBs)
	Mid reservoir. Deepest point, main river channel, immediately upstream of causeway at Cedar Bluff, (Cherokee County)	Black Crappie	1 meal/week (PCBs)
		Blue Catfish	1 meal/month (PCBs)
		Channel catfish	1 meal/month (PCBs)
		Largemouth bass	1 meal/month (PCBs)
		Striped bass	1 meal/month (PCBs)
	State line. Deepest point, main river channel, AL/GA state line. (Cherokee County)	Black Crappie	1 meal/week (PCBs)
		Blue Catfish	1 meal/month (PCBs)
		Largemouth bass	1 meal/month (PCBs)

<b>Waterbody</b>	<b>Location</b>	<b>Species of Fish</b>	<b>Advisory</b>
Wheeler Reservoir	Upstream of the dam at Tennessee River mile 277.0, near the confluence of First Creek with the main channel. (Lauderdale County)	All species	No restriction
	Wheeler Reservoir (Tennessee River) at river mile 281. Approximately 2.0 miles downstream of the mouth of Elk River. Due south of Rogersville. (Lauderdale County)	All species	No restriction
	Mid station, main river channel, Tennessee River mile 296. (Limestone County)	Largemouth bass	1 meal/month (PFOS)
	River miles 303 to 296. Area south of the main river channel. (Morgan County)	Largemouth bass	1 meal/month (PFOS)
	Vicinity of Tennessee River mile 320. 0.9 miles upstream of Cotaco Creek and 1.0 downstream of Indian Creek. (Madison County)	All species	No restriction
	Wheeler Reservoir, Tennessee River mile 347, 2.0 miles downstream of Guntersville dam. (Marshall County)	All species	No restriction
Woodruff Reservoir	Lower reservoir. Deepest point, main river channel, dam forebay. In vicinity of Prairie Creek access area. (Autauga County)	All species	No restriction
	Deepest point, main river channel, immediately upstream of US Hwy 31 bridge. River miles 278-279. (Elmore County)	All species	No restriction
Widows Creek	Widows Creek between Tennessee River confluence and 1.0 mile upstream of confluence. (Jackson County)	Largemouth bass	1 meal/month (Mercury)
	Stretch of Widows Creek from 1.5 miles upstream of Tennessee River confluence to first bridge crossing (Million Dollar Bridge). (Jackson County)	Largemouth bass	1 meal/month (Mercury)
	Upstream of Jackson County Road 96. (Jackson County)	Largemouth bass	Do Not Eat Any (Mercury)

<b>Waterbody</b>	<b>Location</b>	<b>Species of Fish</b>	<b>Advisory</b>
Wilson Reservoir	Dam forebay at Tennessee River mile 259.5. (Lauderdale County)	All species	No restriction
	Tennessee River miles 272.0-274.0, 1.0 miles downstream of Blue Water Creek. (Lauderdale County)	All species	No restriction
Wolf Bay	North of Mulberry Point. (Baldwin County)	All species	No restriction
Yates Reservoir	Lower reservoir. Deepest point, main river channel, dam forebay. (Tallapoosa County)	All species	No restriction
Yellow River	Deepest point, main river channel, at County Road 4 bridge. (Covington County)	Largemouth bass	1 meal/month (Mercury)
		Spotted bass	1 meal/month (Mercury)
