

PUBLIC HEALTH PRECAUTIONS

This beach has been impacted by the oil spill in the Gulf of Mexico.

Oil may come and go at any time and it may not be visible. If you see oil in the water, you are cautioned not to enter.

- Do not handle tar balls.
- Avoid contact with the oil.
- If you get oil or tar balls on your skin, wash with soap and water.
- If you get oil on your clothing, launder as usual.
- Do not use harsh detergents, solvents or other chemicals to wash oil from skin or clothing; they may promote absorption of the oil through the skin.
- If the odor causes nausea, vomiting, headache or breathing problems, leave the affected area.

FOR MORE INFORMATION CONTACT:

Alabama Department of Public Health	1.866.264.4073
Report oiled wildlife	1.866.557.1401
